

COLLEGIE DER KLEDIJ

FILLING THE CLOSETS OF NYENRODIANS

Real Nyenrodian students of the Nyenrode Business University are part of the student association the "Nieuwe Compagnie van Verre". As such they are obligated to be properly dressed for any possible occasion. To help them the Collegie der Kledij makes sure they have access to the best possible deals.

COLLEGIE DER KLEDIJ

FILLING THE CLOSETS OF NYENRODIANS

There are events for which young students often find their wardrobe incomplete. The Collegie der Kledij has the task of making sure that those wardrobes are complete. As such we are always looking for the sharpest deals for our fellow students. We are particularly keen on providing the following offers for each class of students:

- Three piece grey suit
- Two piece suit
- Shirt with cufflinks
- Black tie
- White tie
- Casual blazer
- Rugby sweater
- Caps and gowns

We are currently looking for a partners which will be able to provide the best possible offer for our fellow students. This will be an important year for us since we are re-introducing the mandatory requirement of the three-piece grey suit at official events.

CDK 2011

The class of MSc19 has produced four great members of the Collegie der Kledij. Since November 2010 we have enjoyed each other's company and have forged some bold goals. The main goal is reintroducing the formal three piece suit. Going back to the roots of the student association the "Nieuwe Compagnie van Verre".

It represents the close ties between Nyenrode, its students, and the founding Dutch international companies. The Collegie der Kledij, with cooperation from the Heeren V and the student body, are now reintroducing this as a formal requirement for all new students entering the student association.

BLACK TIE AND WHITE TIE

HISTORICALLY

Students attend two white-tie galas and one black tie event. Students are expected to wear a tail-coat to the galas and a dinner jacket to the black tie event. These are student galas so we noticed that students are looking for low-priced suits. The women do not want the same dresses and this is already a large concern for them, so we are unsure that a single supplier can satisfy the woman. A lot of students come to Nyenrode without a tail-coat and most also need a dinner jacket.

YEARCLUB BLAZERS

HISTORICALLY

A good group of friends can apply at the student association to become a yearclub. After many trials they can choose to be inaugurated with a yearclub blazer. These blazers have to survive some heavy duty nights and have to be able to withstand a tug or two. These blazers are also worn in the bar. Currently most clubs purchase the fabrics themselves and then have blazers made from the material.
